You will find our lovely Bed and Breakfast at 5 Dolphin Street, which is situated in a very tranquil and safe residential area, a stone throw from the sea. Ample parking space is available if you travel by car. The beach is a 2 minute walk away, and the town centre a mere 15 minutes, although we can provide transport. Stylishly decorated rooms and an informal, friendly atmosphere will make your stay an unforgettable one!

BETWEEN WORLDS

Swakopmund is situated in a unique, climatically exceptional location between the cold Atlantic and the warm Namib desert. This nice, cosy little town not only offers a great many shops and excellent restaurants, but also a lot of sights worth seeing. Very interesting is the well-kept buildings and churches dating from the German colonial era.

This together with a huge proportion German-speaking residents, give Swakopmund its unique German atmosphere. Swakopmund brings together the old and the modern, water and desert - and this makes a visit a truly enigmatic experience.

EVERYTHING NEW

We completely renovated the house in 2006 with a subtle African theme in mind.

FEEL LIKE HOME

Each room has been fitted with an outside entrance so that guests can enjoy their privacy. Every room is equipped with a safe for your valuables. An extensive breakfast buffet will see to a good start of your day.

BEYOND AFRICA

Traditional stone floors and African finishings will feed your soul while cosy beds will assure a good night's rest.

Whether you are a day visitor on a long trip through Africa, or a visitor who plans a longer stay to Swakopmund - rest assured in the knowledge that we will take it to our hearts to provide in your every need.
